

NOBLES[®]
ENGINEERED BY TENNANT COMPANY

SCOUT™ 9

Large battery walk-behind sweeper

Sweep smarter, not harder with the Nobles Scout-series sweepers

The Scout™ 9

It's Efficient

Propel system makes cleaning quick and effortless. Dual side brushes increase the sweeping path to 35 in / 900 mm, and extra large hopper saves you trips to the dumpster, which gives you more time for cleaning.

It's Durable

Major components field-proven in commercial applications for 2 years. Durable roto-molded design is backed by a 2 year, Tennant *True*® warranty, and side brushes are protected by brush bumper.

It's Easy

Simple, no-tool side brush adjustments and easy-to-use operation mean less time training and more time cleaning.

It's Flexible

The Scout 9 is well suited for large, indoor and outdoor areas. Quiet 62 dBA sound level means you can sweep anytime, anywhere, even in noise-sensitive environments.

Four no-nonsense features

- 1. Maintenance-free batteries** make owning a Scout 9 simple and safe.

- 2. Large hopper** (2.2 ft³ / 60 L) reduces empties and is easy to remove, simplifying the cleaning process and increasing operator productivity.

TwinMax™ Sweeping Technology

Equipped with TwinMax sweeping technology, the Scout™ 9 cleans your floors in a single pass. The twin, counter-rotating brushes combine overthrow and direct sweeping principles to capture large and small debris with one machine.

TwinMax technology is designed for sweeping multiple surfaces in both indoor and outdoor environments, giving you maximum versatility for anytime, anywhere cleaning.

- 3. TennantTrue® brushes** are designed to fit your machine and deliver optimal cleaning performance. Chevron bristle pattern and TwinMax technology work together to pick up more debris in a single pass.

- 4. Adjustable, ergonomically designed handle** increases operator comfort.

Optimize cleaning performance with Tennant*True*

Maximize the uptime and life of your Tennant equipment with Tennant*True* Parts and Service. Benefit from the unmatched knowledge of our team of over 400 factory-trained and certified Tennant Service technicians. Tennant*True* Parts are designed to fit your Tennant machine and deliver optimal cleaning performance. This helps reduce machine downtime and service calls. Depend on Tennant*True* to help you maximize the effectiveness of cleaning operations.

Tennant*True* Parts program includes Tennant, Nobles, Green Machines and Orbio cleaning equipment.

Engineered by Tennant Company, the Scout 9 is the smart, reliable choice for your no-nonsense cleaning needs.
